Disclaimer

As a mentee participating in the Ventura County Bar Association (VCBA) Barristers' Mentorship Program (BMP), I understand that I can expect informal advice and guidance from my mentor that relates to my legal career. Following the mentor's advice and guidance is up to my own discretion.

I understand that my mentor is a busy attorney/judge, and I agree to be mindful of his or her schedule. I understand that I must not expect or ask for legal advice from my mentor. Further, I will take steps to ensure that no attorney-client relationship arises between me and my mentor, or between my mentor and any of my clients. I agree that I will not use the mentorship program as a recruiting tool.

I am an active member in good standing of the VCBA and the State Bar of California and I am a member of the Barristers Section.

I understand that the BMP Committee will try to match me to a suitable mentor, but there is no guarantee that I will be matched. Furthermore, the mentorship relationship is voluntary and may be terminated by either me or my mentor without cause or reason.

The VCBA and the BMP do not make any promises and are not responsible or liable for the mentors' advice or actions. Mentors participate in this Program on a voluntary basis and are members in good standing of the VCBA and the State Bar of California. The VCBA does not conduct any kind of vetting process for mentors and does not endorse or recommend the attorneys who serve as volunteer mentors. The VCBA does not monitor the mentorship relationship nor does the VCBA have any disciplinary authority with respect to the BMP.

I have read and understood the guidelines for the BMP and agree to follow these guidelines.
