

## MEMORANDUM

From: Hon. JoAnn Johnson  
Re: New Order from the Presiding Judge  
Date: June 1, 2020

---

A new order has been issued by the Presiding Judge of the Superior Court. It can be found on the court's website. Pertinent for Family Law is the ability to file ALL stips and Orders, and MSAs and Proofs of Service in addition to the documents previously authorized. For the MSA's please don't file any Judgment or other Judicial Council forms that go along with a disso judgment. Those will have to be filed later and may take a while to process.
