Need to reach out to your colleagues and rely on their experiences?

Use the VCBA ListServes which are a Member Benefit!

The **ListServe** is intended to facilitate communication among its members by providing an opportunity to post a query on a substantive or procedural issue. Once you send an email, every member on that specific list will receive the message. To protect the ListServe participants from spam or other unwanted solicitation, you can only send messages using the email in your VCBA Profile. Otherwise, it will automatically be rejected. Members are automatically added based off your Areas of Practice and VCBA Sections you belong to.

If you do not belong to that group email, the system will not allow you to use it.
