

VCBA RELEASE FORM

Dear Contributor:

The Ventura County Bar Association (VCBA), through *CITATIONS*, occasionally receives requests for reprints of its articles. Additionally, *CITATIONS* has the opportunity to make its articles accessible to the legal community through, among other things, commercial online database service providers, as well as other electronic publication and distribution mechanisms. Accordingly, VCBA will make articles appearing in *CITATIONS* available, with or without charge, on the Internet or its Web site, or through other computer online services or electronic media or other means.

In order that this be carried out with a minimum of administrative effort and delay, *CITATIONS* requires, as a condition of publication, that authors who submit articles to *CITATIONS* for publication in the magazine also grant to VCBA the right to reproduce and use the articles in electronic and other forms including, but not limited to, computer online services, and through other electronic/social media and distribution mechanisms. *CITATIONS* therefore requests from authors the following rights in perpetuity for any article submitted to *CITATIONS* that is published in print form in its magazine: first publication rights; reprint/republication rights in all media; and nonexclusive electronic and other publishing, reproduction, and distribution rights in all media. This will not affect the author's right to the full use of the article elsewhere after publication in *CITATIONS*.

RELEASE

You grant first publication rights to VCBA for any article that you are submitting for publication in *CITATIONS*. You also grant permission to VCBA in perpetuity to republish and distribute in all media now or developed in the future the article that you are submitting to *CITATIONS* separate and apart from its publication in *CITATIONS* magazine.

Further, you grant full and complete, yet nonexclusive, universal publishing rights in all media, including without limitation the right to publish electronically, as well as the right to reproduce and distribute on electronic and other media, whether individually or as a collection, to VCBA for the article you are submitting to *CITATIONS* that is published in print form in *CITATIONS* magazine.
